

Stay Independent, Active, Connected

Neighbors Network is a non-profit member organization for adults 55+ in Winter Park, Maitland and close-by neighborhoods who seek support in order to live at home as long as possible. Through volunteers, screened service providers, community supporters and partners, Neighbors Network enables older adults to continue living and thriving in their homes and communities.

As a Member, you can....

- Ask for help without embarrassment or fear of imposing.
- Trust the people who are helping you.
- Save time and money.
- Meet new friends and neighbors.
- Stay engaged with your community.
- Keep living in your home.
- Keep loving your life.

Neighbors Network volunteers can...

- Help you with gardening tasks.
- Assist you in reviewing and organizing paperwork and household files.
- Share overwhelming tasks like that messy closet or cluttered garage.
- Drive you to medical appointments.
- Help with computer problems.
- Assess for needed household repairs.
- Help you get ready for guests.
- Clean out cabinets, closets, yard sheds.
- Keep you company for a few hours.
- Drive you to shopping... and help, too!
- We can help with whatever you need...

Neighbors Network connects you to our Partners...

- * Rollins Center for Lifelong Learning (*Classes & Fun*)
- * CaregiverCentral.org (*Homecare Services & More*) *
- * Our Whole Community (*Health & Wellness Programs*) *

... and to our Screened Service Provider List when a task or project needs professional expertise.

Neighbors Network is not a place, but a way of living as a community as we grow older.
Neighbors Network was started with generous funding from the Winter Park Health Foundation.
