

Community Membership

Community Members are people who do not require services but do believe in the Neighbors Network concept of enabling older adults who want to live independently and confidently in their own homes as they grow older. Community Members are people of any age and live within or beyond our service area. They are always welcome to take advantage of invitations to Member social and educational events throughout the year. Their donations are an essential part of our vibrant community.

Community Member support is an annual, tax-deductible donation of \$250 or more. With your permission, you will be recognized in our newsletter and on our website.
